

Town of Perry Dog License Information

The Town of Perry requires that all dogs be licensed.

License fees are \$10.00 per neutered male or spayed female and \$15.00 per un-neutered male or un-spayed female. Licenses are for the calendar year. A new license is not required if you move into Perry during the calendar year and have already purchased a license from your prior municipality, but you should notify the original municipality of the new address. When applying for a dog license you will need to furnish the following:

- Proof of rabies vaccination (certificate from vet)
- Payment in full, made payable to the Town of Perry
- A self addressed stamped envelope

All of these items are needed before the Treasurer can issue a dog license. *Licenses **will not** be issued without proof of rabies vaccination.*

Please mail dog/kennel license applications to the following address:

Judy Keller
Town of Perry Treasurer
1439 Keller Rd
Mount Horeb, WI 53572
