

**TOWN OF PERRY PARKS AND OPEN SPACE COMMITTEE**  
**Meeting Minutes**  
**6:00 PM, July 31, 2007**  
**Perry Town Hall**

**Present:** Gary Boley, Don Mueller, Laura Morland and Phoebe Blackman.

**Also in attendance:** Linda Bluschke

**The meeting was called to order at 6:13 PM.**

**Approval of Minutes from June 26, 2007**

Laura moved, Gary seconded. Minutes approved.

**Develop work plan for the next 12 months**

- Continue process of choosing, finding funding for, acquiring and installing playground equipment at Daleyville Park.
- Develop inventory of natural resources and unique or rare features within the township.
- Review and upgrade the **Town of Perry Park and Open Space Plan** as called for in the plan.

It was decided that with a current inventory in hand the committee could better address the tasks remaining in the Parks and Open Space Plan and be better equipped for the plan's five year review. To start with, committee members will gather such materials as are already available about the natural communities and physical features of the township.

**Comments from Town of Perry residents**

Comments were entertained throughout the discussion. Linda reiterated her interest in making educational materials available to realtors, developers and new town residents to let them know how things work in Perry.

**Any other business properly presented – future meeting agenda items**

Daleyville Park playground discussion with point person Kay Watson and Friends of Perry Parks president Mick Klein Kennedy should be on an upcoming agenda, as well as information sessions with Cathy Bleser, regional ecologist with WDNR, on grassland issues and perhaps David Sample from the Bureau of Endangered Resources at WDNR, on birds .
