A concern was raised at the last meeting that the current rules don't address use of alcohol and drugs. The Committee had developed a working draft of changes to the approved April 2004 rules which were included in the March 16, 2010 meeting minutes. Further revisions to the March 16, 2010 working draft rules discussed include:

No. 10. Pets. Suggest adding "all pet wastes must be picked up and disposed of off park lands. Bags, scoops, or other appropriate implements for the removal of pet waste must be carried by any person bringing a pet into the park."

No. 9. Add "engage in illegal drug use."

New 10. Insert new item "Intoxicants" after No. 9. Conduct stating that "No persons shall have in his or her possession or drink; beer, wine or intoxicating substances."

Fires: Craig said that language must be consistent with proposed deed restriction.

Don made a motion that the working draft park regulations from the March 16 meeting be revised as discussed today and be submitted to the Town Board for approval. Laura seconded and motion carried.
