

International Dark-Sky Association The Nightscape Authority

The International Dark-Sky Association is pleased to present this certificate to the Town of Perry, Wisconsin, USA, in recognition of your work to keep the nighttime skies natural by advocating environmentally responsible outdoor lighting. It's always gratifying when the message of preserving part of our natural heritage is embraced by a community.

This Recognition of Merit is presented in appreciation of your hard work and dedication with our sincere congratulations. IDA would like to call your attention to additional award programs offered by IDA such as the Fixture Seal of Approval, International Dark Sky Communities, International Dark Sky Parks, International Dark Sky Reserves, Development of Distinction, and annual awards presented at the IDA Annual General Meeting. These awards require an extensive application process to ensure a high level of compliance and standards.

We hope this experience with IDA will encourage you to explore further recognition for your efforts by applying for one of these ongoing programs. You may find out more about awards on our Web site at www.darksky.org, or contact us with questions at 520-293-3198. Thank you for your commendable commitment to the natural night sky.
