

**Non-Binding Pledge to the Hauge Historic District Park Support Fund**

I pledge to donate \$ \_\_\_\_\_ in 2014 to the “*Historic District Park Support Fund*” for the sole purpose of helping the Town of Perry retire the debt it incurred in acquiring the land for the park that now surrounds the Hauge Log Church National Historic Site.

It is also my intention, contingent upon my financial capacity or any other unforeseen considerations, to donate \$ \_\_\_\_\_ each subsequent year for a period of \_\_\_\_\_ years for this same purpose.

I understand my donation will be directed to the “*Historic District Park Support Fund*” account, created and hosted by the Friends of Perry Parks, a tax-exempt 501(c)(3) organization.

I understand that this pledge is non-binding and creates no financial obligation on my part. It is intended to assist the town’s Fundraising Coordinating Committee in estimating and projecting the probable amount and timing of private contributions that will be available annually to help reduce the principal on its 20-year land acquisition loan.
