

Minutes of the Hauge Historic Park Ad Hoc Committee

January 21, 2016

The meeting was called to order by Mick Klein-Kennedy at 6:03 pm at the Perry Town Hall. Present were committee members Linda Nelson, Lynette Gebbin, Gerhard Leutschwager and Michele Kittleson. Also present was town resident, Ken Bartz.

Minutes of the January 6, 2016 meeting were approved as amended with the addition of adjournment.

We reviewed updates to the Park Plan which would include an entry sign; other signage such as trail markers and park rules; regrading of the old field road, building pad and cattle path; fence line clearing and tree planting; Memorial Circle; and a mown parking area.

The committee reviewed photos of signs and chose ones that it was felt would be appropriate for the Hauge Historic District Park.

Lynette moved to submit an informal application to the Perry Historic Commission at their next meeting. Gerhard seconded and the motion carried. Mick will contact the Commission and ask to be added to their agenda for informal discussion.

Mick will prepare a packet for the Commission including the pictures of signs we chose.

Mick will also check on the timing of the application for the Environmental Grant.

The next meeting will be with the Historic Commission after which this committee's next meeting will be determined.

Lynette moved to adjourn at 7:15 p.m.
