

Minutes of Town of Perry Land Use Committee Meeting
Monday, February 3, 2003

1. Call to order. Chairman Mick Klein Kennedy called the meeting to order at 8:00 PM following the Public Hearing to develop recommended changes to the Land Use Plan. Committee Members present were Dean Vogel, and Don Kellesvig. Also in attendance were Gerald Burns, Roger Kittleson and Duane Iverson.
2. Minutes of the previous Meeting-January 6, 2003. Dean Vogel moved and Don Kellesvig seconded a motion to approve the minutes of the January 6, 2003 Land Use Committee meeting as presented. Motion Carried.
3. Discuss Land Use Plan Revisions. Duane Iverson suggested that the new revisions be developed as much as possible to be fair to everyone involved. Roger Kittleson suggested that he agreed with the idea that some of the information in the plan be updated as was suggested by the Open Space Plan committee. Information such as new census data, how many people are still farming etc. There will be another hearing on the Land Use Plan revisions before the next Land Use Committee meeting in March.

The Open Space Plan committee basically stated that they would like to see the Open Space Plan be incorporated into the Land Use Plan in its entirety. A set of meeting notes is being developed by Craig Bluschke from the Open Space Plan Committee meeting.

Other ideas were: this should be a major revision, partnering with the comprehensive planning being done by the town and the county. How do the changing tax codes affect land use planning. Definition of a field road. Fees for non- profits.

4. Dane County Parks and Open Space Plan. Mick reported that he called Ken LePine to see if he had received the letter from Pat Downing. He said he did not remember getting it but that he would check and Mick should check back with him. Mick will do that.
 5. Adjourn: Don Kellesvig moved and Dean Vogel seconded a motion to adjourn. Motion Carried. Meeting adjourned at 9:20 PM.
