

10-10-19

Dear Town of Perry Resident

We are continuing to take paver orders for the Heritage Circle Paver Fundraising Project. This project will be located in the Town of Perry Hauge Historic District Park.

The Heritage Circle project is open to anyone. By purchasing a paver, you will join others who over the years have helped support the protection and preservation of the Hauge Log Church Historic site. The Heritage Circle will include pavers inscribed with names and messages honoring individuals, families, veterans, organizations, and those who have cherished this place as well as those who might never have seen it.

We have included an order form for those who wish to order a paver. There are five sizes available at corresponding levels of donation.

All paver pricing includes the paver and engraving of your personal message. After we pay for the pavers and the engraving, one hundred percent of every dollar remaining from the purchase of your paver to be included in the Heritage Circle will go to retirement of the Town's debt. Since those contributions will be used to make payments on principal owed, they will have a multiplying effect on loan repayment by avoiding interest payments, thereby reducing the Town's tax levy over time to benefit Town residents.

We look forward to the participation of the Town of Perry Residents

Respectfully submitted,

Mick

Mick Klein Kennedy, President
Friends of the Parks of Perry Township.
